The Reyes Family

Victoria Reyes is a new partner with Habitat who is eager to make Hudsonville her home. Living and growing up in Jenison, she is so grateful to be the first homeowner in Buttermilk Creek Townhomes!

Even though Victoria holds a degree and has a successful job in accounting, she still struggles, like many others to find affordable housing options in our area. Becoming a single parent shortly after her son, Josiah, was born, Victoria started renting a one-bedroom space from family and used this time to pay off debt acquired from her past marriage. She is focused on paying off the last of this debt to create a better future for her son.

As she thinks about finally owning her own home, Victoria shares, “It’s something I didn’t think was possible as a single parent, but it’s the stability I’ve strived for since my son was born. We’ve made many great memories over the last five years and a home of our own opens the door to so many new memories to be made!” As she gains a deeper knowledge of the homebuilding and homebuying process, she is eager to pass this knowledge on to her son, Josiah and be an equipped homeowner who can confidently use her learned skills to provide for her family.
